Immune Support

## Kaprex® AI

### Multi-Nutrient Blend for Immune Support

Kaprex AI supports eicosanoid balance and optimal white blood cell production for a healthy inflammatory response.

#### Ingredients:

##### Each tablet typically contains:

Hops Extract ( <i>Humulus Lupulus L.</i> )	
Reduced Iso-Alpha Acids	225 mg
Vitamin D (as cholecalciferol) (500IU)	12.5 µg
Zinc (as citrate)	5 mg
Selenium (as selenomethionine)	50 µg

##### Other ingredients:

Microcrystalline cellulose  
Hydroxy propyl methyl cellulose  
Cotton Seed Oil  
Talc  
Silicon dioxide  
Magnesium stearate  
Stearic acid

#### Features:

Supports optimal eicosanoid, cytokine and white blood cell activity.

Contains an array of nutrients to support healthy immune responses, including the active form of vitamin D.

Features reduced iso-alpha acids, from hops (*Humulus Lupulus L.*) to support healthy eicosanoid balance. Healthy eicosanoid activity is important for the health of the skin, joints, digestive system and nearly every other organ and system of the body.

Developed through the Metagenics ExpresSyn™ Process, which combines cell proteomic research, safety evaluations, human ex-vivo research, and clinical testing for maximum safety and effectiveness.

**Recommendation:** 1 tablet three times daily, or as directed.

**Caution:** Do not use if taking anticoagulants. Not recommended during pregnancy or whilst breastfeeding.

**Product Code:** 44128

**Package Size:** 60
