

Product Information Sheet

Virese

V Ve

Monolaurin Formula

Virese is a monoglyceride ester of lauric acid and is a natural component of mother's milk. Organic fatty acids like lauric acid have many biological properties, including an immune supporting role.

Ingredients:

Each capsule typically contains:

Monolaurin (lauric acid) 300 mg

Encapsulated with:

Gelatin
Magnesium stearate
Silicon dioxide

Features:

Lauric acid helps to support the function of the immune system.

Does not induce host resistance.

Recommendation: 1 or 2 capsules daily with meals, or as directed.

Caution: Not recommended during pregnancy or whilst breastfeeding. Not suitable for children under 12 years of age unless directed by a healthcare professional.

Product Code: 3315

Package Size: 90
