## Joint & Muscle Support

### EC Matrixx™

V Ve

#### Advanced Support for Healthy Connective Tissue with Hops

EC Matrixx™ is designed to support the health of the extracellular matrix.

#### Ingredients:

##### Each tablet typically contains:

<i>Phellodendron amurense</i> Extract (Containing Berberine HCl 100mg)	123 mg
Tetrax™ ( <i>Humulus Lupulus L.</i> ) (Tetrahydro-iso-alpha acids complex, from hops)	100 mg
Niacin (Vitamin B3)	20 mg
Vitamin B6	2 mg
Zinc	2 mg
Biotin	200 µg
Vitamin B12	83 µg
Folate	80 µg
Selenium	40 µg

##### Other Ingredients:

Microcrystalline cellulose  
Cellulose  
Stearic acid (vegetable)  
Silicon dioxide  
Croscarmellose sodium  
Magnesium stearate  
Coating (deionised water, microcrystalline cellulose, polyethelene glycol and carrageenan)

#### Features:

Supports the extracellular matrix, a key component of tendons, ligaments and cartilage.

Contains vitamins, minerals and botanical extracts, including clinically tested Tetrax™, that provide excellent support for the connective tissues of the body.

Developed through the ExpresSyn™ Process, which combines cell proteomic research, safety evaluations, human ex vivo research, and human clinical research for maximum safety and effectiveness.

**Recommendation:** Take two tablets initially, followed by one tablet three times daily with food, or as recommended by your healthcare practitioner.

**Caution:** Do not use if pregnant or breastfeeding, or taking cyclosporine or anticoagulant medication. If taking any other medication, consult your healthcare practitioner before use.

**Product Code:** 6000

**Package Size:** 90 tablets
