Gastrointestinal Support

Nutrispore

V Ve

Broad Spectrum Formula with Caprylic Acid and Herbal Extracts

Nutrispore is a highly potent formula containing caprylic acid, herbal compounds and supporting nutrients to help support a healthy microbial balance in the gut.

Ingredients:

Each tablet typically contains:

Caprylic acid (magnesium caprylate)	240 mg
Garlic	20 mg
Cinnamon (bark)	20 mg
Thyme (leaf)	12 mg
Basil (leaf)	12 mg
Undecylenic acid	10 mg
Turmeric extract	10 mg
Black walnut hulls powder	10 mg
Beet (root)	10 mg
Aloe vera (leaf)	10 mg
Grapefruit (seed) extract	10 mg
Clove (flower bud)	10 mg
Oregano (leaf)	5 mg
Zinc (picolinate)	5 mg

Tableted with:

Cellulose
Silicon dioxide
Stearic acid
Magnesium stearate

Features:

Caprylic acid is a fatty acid that has a long history of use with purging unwanted compounds from the gut.

Aloe vera has a tonic effect on the mucous membranes throughout the body, including those in the gut, and may help soothe gastric discomfort.

Features herbs, spices and nutrients that all possess nutritive properties that help support gut microflora balance.

Contains zinc to lend immune support to the gastrointestinal tract.

Recommendation: 1 tablet three times daily, or as directed.

Caution: Not recommended during pregnancy or whilst breastfeeding.

Contains ingredients derived from:

Nuts
