Glandular Formulas

Nutri Whole Pituitary **Pituitary Gland Concentrate**

Nutri Whole Pituitary provides whole pituitary concentrate for direct support of the pituitary gland. The pituitary is often referred to as the master gland, secreting numerous hormones that regulate and control the activities of other endocrine glands as well as many body processes.

Ingredients:

Each tablet typically contains:

Whole pituitary* 40 mg

*Bovine source from New Zealand

Tableted with:

Dicalcium phosphate
Cellulose
Silicon dioxide
Stearic acid
Gum acacia
Caramel (colour)
Methylparaben
Riboflavin (colour)

Features:

Whole pituitary concentrate provides targeted support for the pituitary gland.

A poorly functioning pituitary gland can affect the regulation of the whole endocrine system.

Recommendation: 1 tablet daily with food, or as directed.

Caution: Not recommended during pregnancy or whilst breastfeeding.
Not recommended for children under 12 years of age unless directed by a healthcare professional.
