Cranberry Formula

Cranberries have long been prized for their beneficial antioxidant effects. Recent studies have also focused on their anti-microbial properties.

Ingredients:

Each capsule typically contains:

Cranberry powder (*Vaccinium macrocarpos*)

500 mg

Encapsulated with:

Hydroxypropyl methyl cellulose

Features:

Cranberries are a source of polyphenol antioxidants, chemicals which are known to provide support to the cardiovascular and immune systems, as well as the urinary tract.

Recommendation: 1 capsule daily, or as directed.

Caution: None known if directions are followed.

Product Code: 3293

Package Size: 60
