*µg RE = micrograms retinol equivalents

Other ingredients:

Carrageenan
Cellulose gum
Natural vanilla flavour
Olive oil

Pure Crystalline Fructose
Rice protein concentrate
Rice syrup
Silicon dioxide
Xanthan

Features:

Features low-allergy-potential rice protein for children with dairy, egg, gluten, corn protein, or soy protein sensitivities.

Provides dairy-free calcium - 250mg per serving.

Supplies inulin as nutritional support for maintaining "friendly" intestinal microflora.

When combined with the accompanying diet plan, provides high quality nutrition for children from 1 to 12 years of age.

Comes with a Quick Start Guide.

Detailed Parent Guide available on Nutri website explaining product use, a suggested food and snack list with sample menus for elimination diet programmes, and a diary for recording diet and symptoms.

Delicious, child-tested and approved Vanilla flavour.

Recommendation:

Add two level scoops (30g) to 8-10 ounces of pure, distilled, or filtered water.
Blend, shake, or briskly stir until powder is completely dissolved.

Serving Size: 2 scoops (30g)
Servings Per Container: 23

Caution:

Not intended as an infant formula. Do not use as a sole source of nutrition.
This product is to be used under the direct supervision of a healthcare practitioner.
This product contains vitamin A. Do not exceed 750µg of vitamin A (as retinol) per day if pregnant or likely to become pregnant except on the advice of a doctor or antenatal clinic.

Product Code:

3525

Package Size:

23 servings (700g)
