

Product Information Sheet

Gastrointestinal Support

Azeo-Pangen™ **Raw Pancreas Enzyme Concentrate**

Azeo-Pangen™ is a comprehensive enzyme complex that helps support healthy digestive function.

Ingredients:

Each tablet typically provides:

Raw porcine pancreas concentrate with an enzymatic activity of	
Protease	52,000 USP
Amylase	52,000 USP
Lipase	8,320 USP

Tableted with:

Cellulose
Dicalcium phosphate
Magnesium stearate
Microcrystalline cellulose
Silicon dioxide
Sodium carboxymethylcellulose
Stearic acid

Features:

Delivers protease activity that breaks down protein, amylase activity that breaks down carbohydrate, and lipase activity that breaks down fat.

As a whole pancreas concentrate, it also supplies peptidases, nucleases and elastases.

Azeo-Pangen is processed under special conditions so that the delicate enzyme constituents remain intact.

Recommendation: 1-3 tablets with each meal, or as directed.

Caution: Do not use if there is gastritis or a history of current peptic or duodenal ulcer.
