Gastrointestinal Support

CandiBactin™

Red Thyme Oil with Herbal Extracts

CandiBactin™ is a blend of concentrated essential oils and herbal extracts from the aromatic mint family in a formula designed to support intestinal microbial balance.

Ingredients:

Each softgel capsule typically contains:

Red Thyme Oil (Thymus vulgaris) [provides 30% to 50% (55-91mg) thymol]	0.2 ml
Oregano Oil (Origanum vulgare) [provides 55% to 75% (55-75mg) carvacrol]	0.1 ml
Sage Leaf 5.5:1 Extract (Salvia officinalis)	75 mg
Lemon Balm Leaf 5:1 Extract (Melissa officinalis)	50 mg

Encapsulated with:

Gelatin
Glycerin
Lecithin
Rice bran oil
Silica

Features:

Supports intestinal and respiratory microbial balance and provides secondary support by supporting mucosal tissue health, muscle relaxation and healthy digestive function.

Supports the integrity of the intestinal mucosa, an integral part of the immune system.

Unique softgel encapsulation technology allows the essential oils to be blended with dry leaf extracts of sage and lemon balm - herbs that complement and stabilise the fragile essential oils.

Recommendation: 1 capsule three times daily, or as directed.

Caution: Not recommended during pregnancy or whilst breastfeeding.

Contains ingredients derived from:

Soy
