Antioxidants

E-400 Selenium™

V Ve

Antioxidant Formula with Vitamin E and Selenium

E-400 Selenium™ provides antioxidants, including a natural source of vitamin E, that work closely together to help protect tissues from damage caused by free radicals.

Ingredients:

Each tablet typically contains:

Vitamin E (d-alpha tocopheryl succinate) (400IU)	268 mg
Selenium (aspartate)	50 µg

Tableted with:

Dicalcium phosphate
Magnesium stearate (vegetable)
Silica
Sodium carboxymethylcellulose
Stearic acid
Microcrystalline cellulose
Coating (deionised water, microcrystalline cellulose, polyethelene glycol, and carrageenan)

Features:

Offers antioxidant protection to fatty acids and cholesterol circulating in the bloodstream.

May help support balanced prostaglandin synthesis.

Delivers an especially powerful combination of nutrients that helps protect tissues against oxidative damage.

Features selenium, a trace mineral that functions in the body as a component of the antioxidant enzyme glutathione peroxidase.

Recommendation: 1-2 tablets daily, or as directed.

Caution: None known if directions are followed

Contains ingredients derived from: Soy

Product Code: 44024

Package Size: 60
