

Product Information Sheet

Joint and Muscle Support

Inflavonoid Intensive Care™

V Ve

Turmeric & Ginger Formula with Vitamin C & Boswellia

Inflavonoid Intensive Care™ combines vitamin C with a wider range of synergistic herbs traditionally used to support healthy joints and muscle tissue. Features additional quercetin for extra antioxidant support.

Ingredients:

Each tablet typically contains:

Vitamin C (ascorbic acid)	100 mg
Boswellia Gum Extract (<i>Boswellia serrata</i> , standardised to 70% boswellic acids)	200 mg
Turmeric Rhizome Extract (<i>Curcuma longa</i> , standardised to 95% curcuminoids)	150 mg
Ginger Rhizome Extract (<i>Zingiber officinale</i> , standardised to 5% gingerols)	100 mg
Cayenne Pepper Fruit (<i>Capsicum frutescens</i> L.)	25 mg
Lemon Bioflavonoid Complex (standardised to 50% full spectrum bioflavonoids)	100 mg
Quercetin	50 mg

Tableted with:

Magnesium stearate
Stearic acid
Sodium starch glycolate
Sodium carboxymethylcellulose
Cellulose
Calcium silicate
Silica
Coating (water, microcrystalline cellulose, polyethylene glycol, and carrageenan)

Features:

Supports balanced eicosanoid production: eicosanoids, such as prostaglandins, thromboxanes, and leukotrienes, have an influence on muscle, joint, and connective tissue health.

Provides Ayurvedic herbs traditionally used to support healthy joints and muscle tissue.

Provides lemon bioflavonoids and vitamin C, which help to protect connective tissues from damaging free radicals.

Features an extract of *Boswellia*, as well as Turmeric and Ginger; all premium quality and standardised to key compounds to ensure effectiveness, reproducibility, and consistent results.

Provides Cayenne, a herb that has long been prized for its many health benefits.

Offers added antioxidant support from quercetin.

Provides excellent muscle tissue support following intense exercise or "weekend warrior" syndrome.

Recommendation:

1 to 2 tablets three times daily. May use 1 to 2 tablets every 2 hours as needed, or as directed.

Caution:

Not recommended during pregnancy or whilst breastfeeding.
