## Inflavonoid™

**V Ve**

### Turmeric & Ginger Formula with Vitamin C

Inflavonoid contains a specially formulated blend of phytochemicals from the select herbs: ginger and turmeric, together with citrus bioflavonoids and vitamin C.

#### Ingredients:

##### Each tablet typically contains:

Vitamin C (ascorbic acid)	100 mg
Turmeric Rhizome Extract ( <i>Curcuma longa</i> )	450 mg
Lemon bioflavonoid complex [standardised to 50% (125mg) total bioflavonoids]	250 mg
Ginger Root ( <i>Zingiber officinale</i> )	150 mg

##### Encapsulated with:

Microcrystalline cellulose  
Silicon dioxide  
Sodium carboxymethylcellulose  
Stearic acid (vegetable)  
Cellulose  
Calcium silicate  
Coating (deionised water, microcrystalline cellulose, polyethelene glycol, carrageenan)

#### Features:

Supports balanced eicosanoid production: eicosanoids, such as prostaglandins, thromboxanes, and leukotrienes, have an influence on muscle, joint, and connective tissue health.

Provides Ayurvedic herbs traditionally used to support healthy joints and muscle tissue.

Provides lemon bioflavonoids and vitamin C, which help to protect connective tissues from damaging free radicals.

**Recommendation:** Take two tablets three times daily, or as directed by your healthcare practitioner.

**Caution:** None known if directions are followed.

**Product Code:** 44043

**Package Size:** 60
