

Product Information Sheet

Gastrointestinal Support

Metagest™

High Strength Betaine HCl with Pepsin

Metagest™ features the acidifying factor betaine HCl combined with the proteolytic enzyme pepsin, to support digestion.

Ingredients:

Each tablet typically contains:

Betaine HCl	650 mg
Pepsin	45 mg

Tableted with:

Cellulose
Magnesium stearate
Microcrystalline cellulose
Silicon dioxide
Stearic acid
Coating (hydroxypropylmethylcellulose, medium chain triglycerides, hydroxypropylcellulose).

Recommendation: 1-2 tablets with each meal, or as directed.

Caution: Do not use if there is a prior history of or a current peptic or duodenal ulcer. If discomfort in the stomach occurs after administration, discontinue use and consult your healthcare practitioner. Store in a cool dark place. Do not chew or break the tablet. Tablet must be swallowed whole.
