Cardiovascular Support

SuperGarlic 6000™

V Ve

Herbal Support for the Cardiovascular & Immune Systems

A super-concentrated garlic supplement that is guaranteed to supply 6,000µg of allicin – garlic's most important active ingredient – per tablet.

Ingredients:

Each tablet typically contains:

Raw Garlic Concentrate* (Allium sativum) clove 600 mg

*Yields 6000µg allicin confirmed by HPLC (high pressure liquid chromatography)

Tableted with:

Magnesium stearate (vegetable)
Silicon dioxide
Sodium carboxymethylcellulose
Stearic acid (vegetable)

Features:

Delivers high concentrations of potency-preserved allicin and all of the other naturally occurring, health-supporting constituents found in garlic.

Made from a highly concentrated, "super strain" garlic from the Xingjiang Province of China, cultivated specifically for its health promoting properties.

Features a special enteric coating designed to dissolve in the intestine - not the mouth or stomach - to help prevent garlic breath.

Recommendation: 1 tablet daily, or as directed.

Caution: None known if directions are followed.
