Ultra Bifidus ND™

V Ve

Non-Dairy *Bifidobacterium lactis* Powder

A non-dairy** probiotic supplement featuring a specially cultured, highly viable, pure strain of the beneficial bacteria, *Bifidobacterium lactis* Bi-07. Ultra Bifidus™ can be used routinely by people of all ages (infants to seniors). This product has undergone a special process to remove all dairy products and lactose, and is therefore dairy-free.

Ingredients:

Each half teaspoon (1.5g) typically provides:

Bifidobacterium lactis Bi-07 Culture

15 billion live organisms*

* At date of expiry

Other ingredients:

Rice maltodextrin

Features:

Helps support a healthy balance of intestinal flora and has broad intestinal, digestive and immune system support functions.

Produced in a freeze-dried form and refrigerated during storage and shipping for maximum stability, and shipped with the most current viability assay to provide you with assurance of potency.

Guaranteed to provide no less than 15 billion live bifidobacteria micro-organisms per serving through date of expiration.

The ID Guarantee: The purity, clinical reliability, and predicted safety of Metagenics probiotic formulas are guaranteed through the scientific certification of strains with established health benefits.

Assuring potency and high viability, each strain is also tested for acid tolerance and cell adherence in vitro.

Recommendation:

Mix one-quarter to one-half a teaspoon with 4-6 ounces of unchilled water daily, or as directed.

Caution:

***Bifidobacterium* probiotic strains consume soy and milk-derived nutrients as a food source during an early fermentation step. Individuals with a severe intolerance to soy or milk should not take this product.

Contains ingredients derived from:

Soy

Product Code:

44071

Package Size:

75g (50 servings)
