Ultra Probioplex™ Capsules

V

Advanced Probiotic Nutrition with Immunoglobulins

Ultra Probioplex Capsules are a patented probiotic supplement featuring highly viable, pure strains of *Lactobacillus acidophilus* (NCFM™ strain) and *Bifidobacterium lactis* in convenient vegetarian capsule form.

Ingredients:

Each capsule typically contains:

A 50:50 blend of:.....15 billion live organisms*

Lactobacillus acidophilus NCFM® Strain

Bifidobacterium lactis Bi-07 culture

Globulin Protein Concentrate 170 mg

*At date of expiry

Encapsulated with:

Magnesium stearate

Microcrystalline cellulose

Silica

Features:

Helps support a healthy balance of intestinal flora and has broad intestinal, digestive, and immune system support functions.

Provides the valuable Probio-Protein® factor, a concentrate of immunoglobulin proteins (antibodies) from whey to help support a healthy intestinal environment.

Produced in a freeze-dried form and refrigerated during storage and shipping for maximum stability, and shipped with the most current viability assay to provide you with assurance of potency.

Ultra Probioplex™ Capsules provide a guaranteed potency of 15 billion *L.acidophilus* and *B.lactis* organisms per serving through to the date of expiry.

The ID Guarantee: The purity, clinical reliability, and predicted safety of Metagenics probiotic formulas are guaranteed through the scientific certification of strains with established health benefits. Assuring potency and high viability, each strain is also tested for acid tolerance and cell adherence in vitro.

Recommendation: 1 capsule one to two times daily, or as directed.

Caution: None known if directions are followed.

Contains ingredients derived from: Soy and Milk
