Ultra Probioplex® ND Capsules

V

Non-Dairy Advanced Probiotic Nutrition

Ultra Probioplex® ND Capsules are a patented non-dairy** probiotic supplement featuring highly viable, pure strains of <<ITon>>Lactobacillus acidophilus<<IToff>> (NCFM™ strain) and <<ITon>>Bifidobacterium lactis<<IToff>> in convenient vegetarian capsule form.

Ingredients:

Each capsule typically contains:

Lactobacillus acidophilus NCFM® Strain

7.5 billion live organisms*

Bifidobacterium lactis culture

7.5 billion live organisms*

* At date of expiry

Encapsulated with:

Silica

Magnesium stearate

Recommendation:

1 capsule one to two times daily, or as directed.

Caution:

**Lactobacilli and bifidobacterium probiotic strains consume soy and milk-derived nutrients as a food source during an early fermentation step. Individuals with a severe intolerance to soy or milk should not take this
