

Product Information Sheet

Brain & Nervous System Support

Ceralin® Forte

NAC, Acetyl L-Carnitine & Grape Seed Complex with B Vitamins

Ceralin® Forte is formulated to provide well-rounded support for optimal brain health and cognition, addressing multiple pathways involved in neurological health.

Ingredients:

Each capsule typically contains:

Vitamin B1 (thiamin mononitrate)	10 mg
Vitamin B2 (riboflavin)	10 mg
Vitamin B3 (niacinamide)	83 mg
Vitamin B6 (pyridoxine hydrochloride)	8.3 mg
Folate (as L-5-methyl tetrahydrofolate*)	166 µg
Vitamin B12 (as methylcobalamin)	166 µg
N-acetyl-cysteine	200 mg
Acetyl-L-Carnitine HCl	200 mg
Grape Seed Extract (Vitis vinifera) [standardised to 90% (60mg) polyphenols]	68 mg

*As Metafolin® U.S. Patent Nos. 5,997,915; 6,254,904

Encapsulated with:

Gelatin
Microcrystalline cellulose
Silica
Magnesium stearate

Features:

Acetyl-L-carnitine is involved in the synthesis of acetylcholine, an important neurotransmitter found to be deficient in some patients.

Provides B vitamins - crucial for homocysteine metabolism and the normal functioning of the nervous system.

Grape seed extract provides active compounds which help support optimal capillary health and cerebrovascular function.

Supports healthy life cycle of neurons and other cells.

Patented, uniquely bio-available form of folate.

A strong support for overall neurological health, especially for older adults.

Recommendation: 3 capsules daily, or as directed.

Caution: Not recommended during pregnancy or whilst breastfeeding.

Product Code: 44118

Package Size: 90
