

# Product Information Sheet

Blood Sugar Support

## **Insinase™**

**V Ve**

### **Acacia & Hops Extract for Targeted Blood Sugar Support**

Insinase features selective kinase response modulators (SKRMs) - reduced iso-alpha acids (RIAA) and acacia - which have been shown to support healthy insulin production.

#### **Ingredients:**

##### **One tablet typically contains:**

Hops Extract (*Humulus Lupulus*)

Reduced iso-alpha acids (RIAA)

150 mg

Acacia Bark and Heartwood Extract (*Acacia nilotica*)

30 mg

#### **Tableted with:**

Magnesium stearate

Chlorophyllin copper complex

Microcrystalline cellulose

Hydroxypropyl methylcellulose

Stearic acid

Sodium Carboxymethylcellulose

Talc

Silicon dioxide

#### **Features:**

Designed to support balanced kinase signalling within cells for healthy blood sugar and triglyceride regulation.

Supports healthy fasting insulin and blood lipid balance.

**Recommendation:** 3 tablets daily, or as directed.

**Caution:** Consult with a medical doctor if on anti-coagulant medication.

**Product Code:** 44119

**Package Size:** 90
