Poly Ascorbates

V Ve

Citrus-Free Buffered Vitamin C Formula

Vitamin C is critical for immune function and for support of healthy connective tissue in the body. Poly Ascorbates is an exclusive preparation of vitamin C complexed with essential minerals for superior absorption and neutral pH buffering.

Ingredients:

Each capsule typically contains:

Vitamin C (as calcium, magnesium, potassium and zinc ascorbates) 400 mg

Encapsulated with:

Microcrystalline cellulose
Magnesium stearate (vegetable)
Silicon dioxide

Features:

The mineral ascorbates maintain a neutral pH, which makes Poly Ascorbates well tolerated, even by those with frequent gastric upset.

This citrus-free source of vitamin C can be tolerated by those with citrus allergies and sensitivities.

Recommendation: 1 capsule taken twice daily with food, or as directed.

Caution: Not recommended for individuals with kidney disease, kidney stones or hemochromatosis.
