

# Product Information Sheet

Female Health

## **MenoHop®** **Hop Extract**

**V Ve**

MenoHop®, derived from the Hop plant, provides a concentrated source of a new class of phyto-oestrogens, known as prenylflavonoids, which help to support balanced female hormone levels.

### **Ingredients:**

#### **Each capsule typically contains:**

Hop Extract (Humulus lupulus L.) 120 mg  
[standardised to 100µg of hopein or 8-prenylnaringenin]

#### **Encapsulated with:**

Dicalcium phosphate  
Gelatin  
Magnesium Stearate  
Silicon dioxide

### **Features:**

The hop plant is rich in hopein, an active phytochemical belonging to a new class of phyto-oestrogens known as prenylflavonoids.

The bioactive prenylflavonoids in MenoHop® are, as active aglycones, not bound to sugars, and as a result can immediately be absorbed in the body.

Helps support female hormonal health, bone health and healthy cholesterol levels.

**Recommendation:** 1 capsule a day, or as directed.

**Caution:** Not recommended during pregnancy or whilst breastfeeding.

### **Contains ingredients derived from:**

Soy  
Sulphur dioxide/Sulphites

**Product Code:** 5582

**Package Size:** 30
