

Product Information Sheet

Gastrointestinal Support

Marshmallow & Gamma Oryzanol

V Ve

With Plant Enzymes

A powerful digestive formula which combines the mucilagenous herbs Marshmallow Root and Slippery Elm Bark with Gamma Oryzanol and plant enzymes for a soothing effect on the gastrointestinal tract. This formula is well tolerated by those with a sensitive digestive tract.

Ingredients:

Each capsule typically contains:

Marshmallow Root (<i>Althaea officinalis</i>)	120 mg
Slippery Elm Bark (<i>Ulmus fulva</i>)	120 mg
Gamma Oryzanol (from rice bran oil)	65 mg
Proprietary Enzyme Blend providing:	69 mg
Amylase	6472 USP(1)
Lipase	27 LU(3)
Cellulase	19 CU(2)

(1) By USP XXI method (2) By Food Chemicals Codex (FCC) IV method (3) By FCC III method

Encapsulated with:

Ascorbyl palmitate
Microcrystalline cellulose
Natural polysaccharide capsule (UltraCaps™)

Features:

Slippery elm has been shown to have soothing effects, especially for the mucous membranes throughout the body, including the gastrointestinal tract.

Gamma oryzanol is a naturally occurring mixture of plant sterols and ferulic acid esters.

Amylase is an enzyme which helps digest carbohydrates.

Recommendation: 2-4 capsules at the beginning of each meal three times daily, or as directed.

Caution: None known if directions are followed.
