

PUREED PAPAYA SUPPLEMENT  
THAT SUPPORTS HEALTHY DIGESTION

# CARICOL<sup>®</sup>

## DIGESTIVE SYSTEM SUPPORT

FOR YOUR

DAILY SMILE

Prepared from Papaya fruit  
according to the original  
recipe of the Lotus Buddhist  
Monastery in Hawaii.

- Regulative support for the gastrointestinal tract which can be used in conjunction with medication.
- Ideal for patients with slow transit time.
  - Clinically proven.
  - Great tasting.
- Produced to strict quality control standards.

## NATURAL SUPPORT FOR DIGESTIVE DISORDERS

Caricol® is a natural product made from the pulp of tree-ripened papaya which deals effectively with the symptoms of an altered digestive function.

Caricol® is free from artificial preservatives, colours, flavours, filling agents and MSG. It is stable for 18 months when stored under 25°C

and is suitable for babies and children as well as in pregnancy and whilst breastfeeding.

Caricol® is suitable for patients with wind, bloating, loose stools and/or tendency towards a sluggish bowel, in fact anyone in need of general digestive system support.

---

**CARICOL® is packaged in practical stickpacks of 20ml (1.3 fl.oz), 20 stickpacks per box.**

### Each 20ml stickpack serving typically contains:

Fruit of the Papaya	20 ml
Energy	8.6 kcals
Protein	0.26 g
Carbohydrate	1.82 g
Of which: Sugars	1.4 g
Fat	0.02 g
Of which: Saturates	<0.02 g
Fibre	0.26 g
Sodium	0.88 mg

### Other ingredients:

Citric acid  
Natural flavours

---

### Recommended Use

Caricol® papaya extract comes in handy individual sachets which can be easily carried to the office, on holiday, to the gym - wherever you're going. It tastes great and has no artificial ingredients. You can take it as it is or mix it with water, juice or yoghurt - you could even put it in a smoothie!

### Slow Transit Time

One stickpack serving after a meal, up to three times daily or as directed.

### General Digestive Support

Take one stickpack after the main meal of the day.
