

Come and see us
on stand **3036** and
receive a bottle of
Eskimo-3 capsules
worth £14.50 at
retail price

BREAKING NEWS

We're pleased to announce that Eskimo-3, the number one choice for omega-3 fish oils in the health food market, has now been certified as a source of sustainable fish oil by the "FRIEND OF THE SEA" organisation.

Now you can confidently recommend Eskimo-3 to your customers even those customers who may have concerns about the sustainability of fish oil products.

Come to stand 3036 and have a chat with one of our knowledgeable team and learn about the benefits of recommending Eskimo-3 to your customers.

Discover how the **pufanox®** antioxidant mix researched by Professor Tom Saldeen M.D. Ph.D keeps Eskimo-3 fresher for longer and how this benefits your customers.

If you don't currently stock Eskimo-3 then now is the time to re-consider, as we have an amazing offer available just for you at the show: **buy 4 of any product in the Eskimo range, and you will receive another 2 completely free of charge!**

Eskimo-3 is probably the purest and most stable fish oil available. it is also one of the most environmentally friendly fish oils on the market!

Come and visit us at **Stand 3036** to chat to us and find out more!
